Annual Subscription Fee (equivalent to Rs. 9,000/month, billed annually in advance)	1,08,000
One-time Setup, Data Migration & Training	Waived / Included
New Feature / Module Development (only if requested, beyond current scope)	One-time fee, quoted separately
Add: GST @ 18%	19,440
Total Payable (Annual, incl. GST)	**Rs. 1,27,440**

Billing Cycle: Annual, payable in advance at the start of each subscription year.

Included in the Subscription Fee: Application hosting/server costs and ongoing support & maintenance for the duration of the subscription.

3. Terms & Conditions

- This quotation is valid for [X] days from the date of issue, i.e. until [Validity Date].
- Payment Terms: 100% of the annual subscription fee is payable in advance before/upon activation of service for that year; renewal invoice to be raised [X] days before expiry.
- One-time setup, data migration, and training are included at no additional cost as part of this offer.
- Application hosting and ongoing support & maintenance are included in the Annual Subscription Fee for the subscription period, at no additional recurring cost.
- Future/ongoing technical support (bug fixes, minor corrections, and day-to-day assistance) for the existing application will continue to be covered under the Annual Subscription Fee upon renewal, with no separate charge.
- Any new feature or module requested beyond the scope listed in Section 1 will require a separate one-time development fee, to be scoped and quoted based on the complexity of that feature, payable before development begins.
- Data backups will be maintained as per the standard backup policy; details to be shared separately in the Service Agreement.
- GST will be charged as applicable at the prevailing rate (currently 18%) and shown separately on the invoice.
- Bank Details for Payment: [Bank Name, Account No., IFSC Code].
